PETRE SHUMKOSKI IS THE LUCKY WINNER OF THE TRAVEL VOUCHER
WITH A VALUE OF 250.000 MKD FROM THE PRIZE GAME OF LUKOIL
MACEDONIA

Petre Shumkoski is the lucky winner of the travel voucher with a value of 250.000 MKD from the prize game of LUKOIL Macedonia.

"LUKOIL Macedonia traditionally organizes prize games every year in order to thank and surprise its loyal customers. The period before the New Year is a time of giving and sharing the joy. That's why the drawing of the main prize was held this year before the New Year, which is when we awarded the travel voucher. I wish that the winner has a lasting memory of the trip", said Mr. Andrej Kuku, regional manager of LUKOIL Macedonia.

"This is the best New Year's gift!" I regularly use ECTO fuel, and I am a member of the LUKOIL CLUB loyalty program. I receive benefits from being a member of the program all the time, but who would have thought that I could win an award like this. That's why I urge everyone to play and participate in prize games, because all players can win. I have a few destinations which I have set my sights on, but I still don't know where we will decide to use the voucher. Once again, I want to express my gratitude to LUKOIL Macedonia for knowing how to value loyalty" - said the winner of the main prize, Mr. Petre Shumkoski.

The prize game commenced on the 24th of October, and ended on the 25th of December 2022. During that period, a total of 5 draws were held with the following awards - one travel voucher with value of 250,000 MKD, eight vouchers for pneumatic tires with value of 12,000 MKD, thirty-two fuel vouchers with value of 3,000 MKD and twenty tire chains.
