LUKOIL MAKEDONIJA OPENED NEW FILLING STATION IN KOCHANI

The new LUKOIL filling station is located in Kochani, at ulica Dimitar Vlahov br. 128 and sits on 2400m². The filling station has two fuel dispensers, water & air machine, modern small supermarket and a café-bar with outdoor deck. At the new filling station, our clients will be able to get our high-quality ETKO fuels, liquefied petroleum gas, LUKOI motor oils, and many other products from the wide array. The filling station has its own parking and many other amenities. We're expecting you!
