THE PETROL STATIONS HAVE BEEN RENOVATED IN ACCORDANCE WITH
THE NEW CORPORATE STYLE OF LUKOIL

LUKOIL Macedonia has renovated and modernized the petrol stations in Prilep located at 286, Mosha Pijade Street and Bitola located at 2, Vladimir Nazor Street, in accordance with the new corporate style of LUKOIL.

At the petrol stations in Prilep and Bitola customers can obtain the ECTO fuel branded by LUKOIL, which increases the power of the engine and allows faster ignition of the vehicle and decreased fuel consumption, along with a wide range of oils from the LUKOIL range, a large selection of additional assortment in the markets, wi-fi, delicious coffee and many additional benefits.
