THE PETROL STATIONS IN STRUMICA AND GEVGELIJA ARE
MODERNIZED IN ACCORDANCE WITH NEW CORPORATE STYLE

LUKOIL Macedonia has modernized the petrol stations in Strumica, located at 27, Industrial zone Sever Street and in Gevgelija at the entrance to Macedonia, highway E75, A1 Bogorodica, in accordance with the new LUKOIL's corporate style.

At the petrol stations in Strumica and Gevgelija, customers can purchase the EKTO fuel branded by LUKOIL, a fuel that increases engine power and allows faster ignition of the vehicle and decreased fuel consumption, along with wide range of oils from the LUKOIL range, a large selection of additional assortment in the shops, free wi-fi, delicious coffee, to take a rest break on the modern summer terraces and many other benefits.
