NEW LUKOIL FILLING STATION IN RADOVISH

Last Saturday, the 19th of March, LUKOIL Makedonija DOOEL Skopje has opened its latest, 28th filling station in Macedonia. Along with the LUKOIL filling stations in Veles, Shtip, Kochani, Strumica and Gevgelija, the Radovish filling station will provide high-quality motor oils and fuels and professional services to the citizens in this region.

The opening was attended by Mr. Andrei M. Cucu, CEO of LUKOIL Makedonija, H.E. Mr. Oleg Nikolaevich Shcherbak, Ambassador of the Russian Federation in the Republic of Macedonia, and Mr. Sashko Nikolov, Mayor of the Municipality of Radovish, as well as by representatives of the Macedonian Orthodox Church, numerous citizens, journalists and members of the local community.

Radovish is the second-largest city in the south-eastern part of Macedonia and the main road M6 Shtip-Radovish-Strumica is the main connection to the city. Our new filling station will offer our clients a wide array of products, liquefied petroleum gas, LUKOIL motor oils and EKTO fuels, which are the most efficient fuels available on the Macedonian market. Our high-quality fuels help increase engine power, meaning that the vehicle will run better and consume less.

The new filling station is located at Bulevar Aleksandar Makedonski br. 1, and sits on 2,500 m<sup>2</sup> of land. The facility is designed as a multipurpose complex, featuring a supermarket, parking lot, Wi-Fi and many other amenities, offering the citizens of Radovish and the surrounding 35 settlements an added value in terms of improving the quality of services, application of the latest technologies aimed at protecting the environment and increasing energy stability of this part of the country.

“We are proud to be here on the occasion of the opening of the 28th LUKOIL Makedonija filling station, which is sure to provide the local population with professional and high-quality services. Just like the other filling stations in our network, this one will also follow the latest global trends and will apply the latest criteria, offering better quality fuels and improved services, with the objective of providing ultimate shopping experience to our consumers from Radovish and the surrounding settlements” - said Mr. Andrei M. Cucu, CEO of LUKOIL Makedonija.

The LUKOIL brand has been present on the Macedonian market for ten years and it is one of the 10 largest foreign investments in the country, having invested more than 45.98 million Euros in Macedonia's energy sector and having sold more than 1 million tons of petroleum products on the Macedonian market.

Within the global LUKOIL Group, LUKOIL Makedonija has been named the best company outside Russia twice, which only proves that LUKOIL Makedonija is the symbol of high-quality fuels and top service, both in the country and beyond.
