II BALKAN'S REGIONAL ORGANIZATION LUKOIL SPORT GAMES HELD IN ZLATIBOR, SERBIA.

II Balkan's Regional Organization LUKOIL sport games took place in Zlatibor, Serbia. 125 employees competed in 12 sporting disciplines for men, women and in the mixed competition in: futsal, volleyball, tennis, basketball, table tennis, dodgeball, darts and pool billiards. The overall number of awarded medals was 150, with 12 cups presented to the winners of each discipline and 3 cups for best players in team sports. Special awards were also handed out to the best female and male athletes, including the honorary certificate for participating in the Games, a Fair Play award and cups for the overall ranking of participating countries.

Number one in the overall ranking, with 41 points, was the team of LUKOIL SERBIA, who won 7 gold medals at: futsal, basket mixed, table tennis for men, women and in mixed competition, darts for men and in mixed competition, three silver medals in volleyball, dodgeball and pool mixed and two bronze medals in basketball for men and darts for women.

The second place was taken by the colleagues from LUKOIL CROATIA team that won 31 points, while the third place was taken by LUKOIL MACEDONIA team with six points less. The fourth place was taken by the team from LUKOIL MONTENEGRO, along with the Fair Play award. The award for the best female participant of the Games was presented to Radmila Boskovska from LUKOIL MACEDONIA by Ana Janković, the HR Manager, and to the best male participant. Petar Tornjanski from the team of LUKOIL SERBIA. The honorary certificate for SBN LUKOIL for taking part in the competition was presented by Dejan Janjić to Pavlin Vakovski, the President of Bulgarian Petrochemists' Union of LUKOIL.

The 2nd BMRO LUKOIL Games were opened by the Head of Balkan's Regiona Organization of LUKOIL, Mr. Igor Semenicev. After having welcomed all the participants and expressed his pleasure for having the colleagues from Bulgaria join in this year, he added; "I am convinced that the positive energy created here will develop better links among all segments of our company and that it will help us function as one, synergic and successful team". The Head of BMRO wished luck to all the participants and announced that the sport event of BMRO Companies will definitely be included in the calendar of mandatory events.

Dejan Janjić addressed the participants at the closing ceremony of BMRO Games,

thanking the colleagues for the fair competition and announcing another competitive sports opportunity to show their skills next year.
