LUKOIL MACEDONIA HOSTS THE COMPETITION "BEST AT THEIR PROFESSION"

This June, LUKOIL Makedonija has hosted the first stage of the competition called “Best at their profession” for the following positions: filling station operator (receipt and recording incoming petroleum products) and filling station operator (filling station market sales assistant). This particular section of the competition was attended by a total of 43 competitors, that is, two participants from each filling station.

The competition comprised of two stages. In the first stage of the competition, all competitors were tested to check their knowledge in Company's rules and standards, their ability to work in line with the rules applying to the additional array of products and services, as well as their merchandising skills.

The second stage of the competition focused on a practical test to check competitors' knowledge and skills in working with petroleum products at specific temperature and density, their ability to draft documents and their skills in delivering services to clients at LUKOIL's filling stations, as well.

LUKOIL Makedonija’s "Best at their profession” competition was organized for the fourth time.

Back in 2015, LUKOIL Makedonija participated at the eight "Best at their profession” competition for professional skills organized for all the organizations within the LUKOIL Group which took place in Ufa, Bashkortostan.

Based on the results obtained in 2017, the best individuals in their respective category of competition were as follows:

- Filling station operator (receipt and recording incoming petroleum products):

1. Aleksandar Runtevski, FS Kamnik

2. Borche Jakovlevski FS Prilep

3. Ankica Zlatevska FS Aerodrom

- Filling station operator (filling station market sales assistant):

1. Milena Bogdanovska FS Kumanovo 1

2. Julija Blazheska FS Ohrid

3. Viktorija Trajkoska FS Bitola 1

Our best competitors will represent LUKOIL Makedonija at the 9th competition which will take place in Perm this August.
