## LUKOIL IS TAKING YOU TO MOSCOW

In the period from the 18th of September until the 10th of December, LUKOIL Macedonia is launching its loyalty reward program for all its loyal customers, offering them the possibility to win travel vouchers. The luckiest winners will be drawn randomly every 2 weeks and they will get travel vouchers worth MKD 6,000 each, while the luckiest among our customers will get a 7-day travel voucher to Moscow for two persons.

The sweepstake rules are simple and apply only to all customers having made a purchase exceeding MKD 1,000 at any LUKOIL filling station. To enter the LUKOIL Macedonia sweepstake, customers are invited to send SMS with the number of their fiscal receipt to the phone number 142 241, which is valid in the period from 18.09.2017 to 10.12.2017. Please note that SMS rates of MKD 5.9/SMS, VAT included, apply. Participants are advised to keep the original receipt and to present it as a proof of purchase. Participants are hereby informed that if drawn, they will be required to present the original receipt when collecting the prize.

"We at LUKOIL enjoy surprising our cherished customers and we are always treating them as our friends. Our filling stations are not only a place to fill your tank, but also a place offering a warm and inviting setting, making each and every customer feel welcome, so why not reward and surprise our loyal customers? This time around, we have prepared 30 open travel vouchers, worth MKD 6,000 each, and 1 main reward, which will take our luckiest customer, and their plus one, to Moscow. We are striving towards creating memories worth remembering and experiences to enrich our customers' lives" - state LUKOIL's Macedonia representatives.

A single person may enter the sweepstake and send unlimited number of SMS. Please note that only receipts with unique serial numbers (from different purchases) may be eligible for a single reward per drawing. Natural persons are eligible in all subsequent drawing rounds, provided that they have used different fiscal receipt(s), not registered in previous drawings. Fiscal receipts may only be used once. All SMS sent in all drawing rounds are eligible for the main reward, unless already drawn.
