LUKOIL MACEDONIA OPENS NEW PETROL STATION

LUKOIL Macedonia has opened a new and modern gas station, located on the E65 motorway, at the entrance to Skopje from Tetovo. The petrol station, which is the 38th for LUKOIL in the country, was constructed according to the LUKOIL corporate style. It is also a multi-functional complex that includes a stocked market, a spacious parking lot for vehicles and useful services for all visitors.

Consumers will be able to purchase the high-quality ECTO fuel, which is economical and with improved environmental properties. LPG autogas is also available, as well as oils from the LUKOIL range.

We are expecting you!
