LUKOIL MACEDONIA HAS OPENED A NEW AND MODERN GAS STATION
IN GOSTIVAR

LUKOIL Macedonia has opened a new and modern gas station in Gostivar.

At the petrol stations, customers can purchase the EKTO fuel branded by LUKOIL, a fuel that increases engine power and allows faster ignition of the vehicle and decreased fuel consumption, along with wide range of oils from the LUKOIL range, a large selection of additional assortment in the shops, free wi-fi, delicious coffee and many other benefits.
