ONCE AGAIN, LUKOIL MAKEDONIJA WAS NAMED THE BEST COMPANY
WITHIN THE PJSC LUKOIL GROUP OUTSIDE RUSSIA

PJSC Lukoil has passed a decision that LUKOIL Makedonija DOOEL Skopje is to be awarded, for the second time, the “Best Company for 2013” award.

In the past 9 years on the Macedonian market, this is the second award of this type for LUKOIL Makedonija, proving that the company is recognizable by its success and operational achievements, the high quality of services, the expansion of LUKOIL network, and finally, its financial results.

The official awarding ceremony took place in Moscow, the Russian Federation. LUKOIL Makedonija was presented with this award for the first time back in 2011. That same year, LUKOIL Makedonija launched the new fuels under the brand EKTO on the Macedonian market.

LUKOIL Makedonija has managed to open new filling stations around the country and it currently operates 26 filling stations. The Company is now living its best moments which are the result of the many years of invested efforts.

In the course of its operation in Macedonia so far, LUKOIL has managed to set new higher standards in the oil business and in the construction of filling stations, thus influencing positively the shift of conception and improving market competitions. This award is truly an important compliment for us, but it also incites us to be better and more innovative, declared Mr. Andrei Cucu, CEO of LUKOIL Makedonija.
