OPENING OF NEW LUKOIL FILLING STATION IN ZHELINO

LUKOIL Makedonija DOOEL Skopje opened its 25th filling station in Macedonia, located in Zhelino. The new LUKOIL filling station is located on the M4 Tetovo-Skopje main road and it sits on 2000m<sup>2</sup>. The filling station has four fuel dispensers, water & air machine, modern small supermarket and a café-bar with outdoor deck. At the new filling station, our clients will be able to get our high-quality EKTO fuels, liquefied petroleum gas, LUKOIL motor oils, and many other products from our wide array.

The filling station offers free Wi-Fi, parking and many other amenities. We're expecting you!
