MR. V. N. VOROBYEV, SENIOR VP AT PJSC LUKOIL, VISITED THE
REPUBLIC OF MACEDONIA

On the occasion of his visit, Mr. Vorobyev declared that PJSC LUKOIL stays focused on developing the retail network in the Republic of Macedonia with the aim of reaching 20% market share. He also stated that the company will continue constructing new and modern filling stations providing high-quality fuels and professional services to the clients. Finally, he emphasized that LUKOIL views Macedonian business environment as very favourable.
